

Dear Member,

You are keenly invited to a curry night at the club.

Kaustav, an exceptionally talented amateur chef, and he's better half, Sonika, have run many curry nights for friends and actually ran one at the club in March, very successfully for 21 people including committee members. As such we can now go live to all Slinfolders.

The date is Saturday June 29th. 6.30pm start with starters 7pm.

It is on a first come first serve basis for the first 24 people to commit. Bring yourself or a partner too. Money up front please. 16 pounds pp (£15 for the food, £1 for the club).

The club bar will operate. It's extra but great value and in the trial run we had Cobra and Kingfisher and multiple wines. Heck, let's do that again.

Kaustav even entertained with an Indian themed quiz between courses.

Menu was quite varied last time...might change a bit this time...it featured such things as a vegetable chop, Keema Paav, and mains of Daal Makhni, lamb curry both slow cooked, an egg curry sides and more. So vegetarians as well as curry enthusiasts are most certainly catered for.

The club house smelt divine last time and we may be able to stretch out to the great patioed outdoors this time. It was all very sociable and greatly recommended. Do join in.

For confirmations or queries please contact Neal Zimmermann: zimmermann1@slb.com
