Bowls Wales DBS guidance

Disclosure and Barring Service (DBS)

Disclosure and Barring Service/Welsh Sports Association (Complete Background Screening Limited) enables employers of private paid and voluntary organisations in England and Wales to do checks related to the applicant's suitability to work with children. Access to the DBS is available to all organisations working with children and young people, either directly as registered bodies or through 'umbrella' organisations. All individuals working with/having regular unsupervised contact with children should undertake an enhanced disclosure DBS check.

For more information on DBS checks contact:

Welsh Sports Association, Sport Wales National Centre, Sophia, Gardens, Cardiff.CF11 9SW
