

List of positions

Below is a list of positions in tennis and what type of DBS check they require. If a position is not listed you can select the role which best describes the activity being undertaken. For example, Junior Helper would cover a range of activity with children which may include helping out with on court activities, assisting at county cup events, and so forth.

In the event that none of the positions shown describes the activity being undertaken, or the level of check for a position is believed to be incorrect, contact the LTA on 0208 487 7000 or info@LTA.org.uk.

What does “Non RA”, “RA”, and “Vol” mean?

- **Vol** = volunteer positions. Volunteer DBS checks cannot be used to undertake LTA coaching qualifications or gain LTA Coach Accreditation.
- **RA** = positions which are Regulated Activity.
- **Non RA** = positions which are not Regulated Activity.

If you are unsure whether to select an RA or Non-RA role, you can use the following documents to determine if someone is in Regulated Activity:
