Why Sponsor Our Tennis Club?

Sponsoring Almondsbury & Bradley Stoke Tennis Club offers the opportunity for your company to gain fantastic exposure in the local and wider community:

- The Tennis Club is situated within the Almondsbury Sports & Social Club complex where an array of other sports and events take place, meaning any advertising you have displayed will be seen by a large variety of people.
- We have over 200 members plus non-members come to play through our pay & play scheme.
- Our regular junior holiday camps & coaching courses are always well attended.
- We have 14 adult teams and 24 junior teams competing throughout the year, so we have clubs visiting from across the county and the surrounding counties!
- We have an active website where your business logo and link can be displayed

- Your business can be thanked through our social media channels that attract regular interactions www.facebook.com/AandBSTennis
