## Arundel Lawn Tennis Club Sponsorship Propositions

Why should my company support Arundel Lawn Tennis Club?

The three listed packages illustrate how your company could physically get involved with ALTC but there are a significant number of other benefits your company would be taking advantage of:

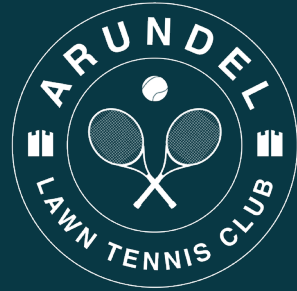

Access to 200+ loyal members and their families

An active marketing programme focused on reaching the 30,000+ residents in ALTC's catchment area including Worthing, Angmering, Rustington, Pulborough, Bury, Littlehampton, Barnham, Walberton, Slindon and Chichester.

- 600 (and growing) Instagram followers
- Anybody who visits the ALTC website
- Our reputation in Arundel
- Getting in front of other tennis playing communities across West Sussex via our events and regular league matches
- Our relationships with other Arundel leisure facilities and clubs.

By sponsoring ALTC you will not only be helping an established local sports facility to expand, thereby enabling more people to enjoy the game with all the positive physical and mental health benefits that brings, but also, you will be supporting a wonderful local community facility which strives to provide friendly, inclusive and social tennis, where lasting friendships are formed.

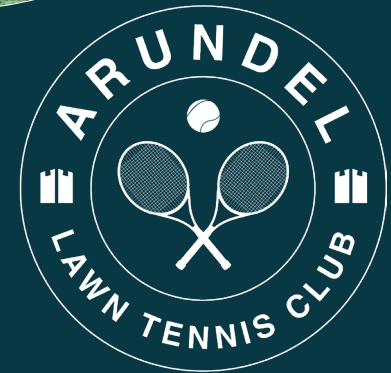

If you would like to get involved or want to discuss this great opportunity in more detail, please contact us on [sponsorship@arundeltennis.co.uk](mailto:sponsorship@arundeltennis.co.uk).
