This year, for the first time, we also entered a team into the regional premier division of team tennis. The 12&U girls team competed very well in the North division against some big centres and national players before finishing 5th in the division. The 12&U boys A team did fantastically well to win the Midlands division and qualify for the national finals at the national tennis centre in London. The squad Ben, Harry, Dylan, Will, Harry and Sam competed well on the clay courts against the winners of the other regions before finishing as the 4th best club team in the country!

The success of all these teams would not be possible without the great commitment from both players and parents so a big thank you and well done to everyone involved!

Cardiff 2019 trip

For the 5th successive year we ran a tournament trip to South Wales for the Cardiff open. The highlights this year include Dylan Davies and Will Cross getting to the semis of the 12&U singles and teaming up to win the doubles together; Harry Bell and Joe Murphy finishing runners up in the 12&U doubles; Andrei Aunianu and Ethan Williams getting to the semi of the 14&U singles; Ethan and Ashton Zaranyika winning the 14&U boys doubles where Andrei and Alex Whitaker lost in the semi and Matthew Mckinnon finishing runner up in the 18&U doubles. A total of 26 players were on the trip aged between 10 and 17, the players behaviour was fantastic on and off the court and we are looking forward to next years' trip!
