

# Aston Park Tennis Club

## Do's and Don'ts

### Do

- Switch out lights in clubhouse unplug all appliances and close and lock windows, before leaving.
- Lock clubhouse.
- Take the empty ball tins, water bottles etc with you and put in re-cycling containers at entrance to Park.
- Loosen the nets.
- Pick up all balls on court and put away in clubhouse.
- Make all coffee cups, food containers, crisp packets etc away with you or put in rubbish bin.
- Make it YOUR job to tidy up the clubhouse occasionally, sweep the floor, wipe down the table put rubbish in bin, tidy up balls and take empty tins to re-cycle bin. There really is no clubhouse fairy who does all these things!
- Netballers, replace nets you've taken down.
- If you see someone, smoking leaving rubbish behind, letting their kids mess up the clubhouse etc. take it upon yourself to point out the error of their ways. It's YOUR club and you have the right to demand civilised behaviour from other users.

### Don't

- Play in black-soled shoes or trainers, sandals, shoes, STUDS! NB some tennis shoes have dark non-marking soles and are OK.
- Take glass on to court.
- Throw chewing gum out on court or surround. Check this out. Someone actually HAS done this on access path!
- Smoke in court area or surround. Again we are picking up fag ends by the benches!
- Let kids kick balls at fence, climb fence, take wheeled toys on to courts.
- Let kids play around with new scorers which cost a small fortune.
