

Aylsham Tennis Club

Treasurers Report 2022

Accounts now being presented at the Annual General Meeting also show, for purposes of comparison, the figures for 2021. These accounts have been verified by Charlie Crafer, Financial Controller, Aylsham.

The accounts show that the Club made a surplus for the year of £8,575.24, a decrease on the previous year of £2,193.20.

This year we were able to play matches again and have increased our stock of balls, we have also installed new changing rooms in the club hut.

As in previous years, the main source of income comes from membership fees. These levels have remained similar to the previous year.

This year we have managed to increase our total funds by £8,575.24. Our floodlight and court maintenance funds have increased by a further £6,000.00 to a total of £45,000.00. This amount is held in a savings account. The current account stands at £4,876.16.

So, another good year for the club, maintaining a healthy financial position moving forward.

Marion Arnold
Treasurer
