To whom this may concern,

This letter is to confirm that all the coaches that operate at Baslow Tennis Club within the coaching programme have the relevant DBS checks to allow them to work with children.

This is a stipulation of the LTA coaching badges, which they require, to carry out coaching at the club.

We also have various volunteers (who help out with the sessions along side the coaching staff) who are in full time education and not eligible for the DBS cheque as they are under the required age of 16. They will of course be required to obtain one once they get to the required age – and hopefully this will tie in with their first coaching badge – the UKCC level 1 qualification.

Kind regards

Pete Ledbetter
