## **Beaconsfield Tennis Club – Conditions of membership & parental responsibilities**

By paying for my child to join as a member of Beaconsfield Tennis Club I am agreeing to the **following conditions:**

I give permission for my child to be involved in any publicity (including photographs, videos, TV footage) at Beaconsfield Tennis Centre.

To my knowledge he/she has no special needs, dietary requirements, allergies or medical conditions that could affect his/her safety at the club. I understand that in the event of any injury, illness or other medical need, all reasonable steps will be taken to contact me and to deal with the situation appropriately.

I understand that I must inform the centre of any changes to the information provided

I agree to BTC holding details of my child's DOB & address and give consent for contact phone numbers and contact email addresses to be used for all communication. I understand BTC will only hold phone and email details for the parents of children aged U18

I agree to abide by the BTC Codes of Conduct as listed on the BTC website and I confirm that I have read and understood all the Club's policies including the Safeguarding Policy.

I confirm that I am aware that the Safeguarding Policy requires all children under the age of 13 years to have parental/carers supervision inside the clubhouses and that they must not be left unattended near the hot drinks machine. No children are allowed in the bar or kitchen area.

It is BTC policy that children under the age of 11 are supervised by a parent/carer whilst at BTC and outside of any coaching lesson or tennis camp.

It is the responsibility of parents/carers to ensure appropriate transport for their children travelling to and from the venue.

In accordance with BTC safeguarding policy and LTA guidance, parents/carers are responsible for dropping their child at the court with the coach at the start of the lesson and collecting from the coach at the end of the lesson. Please note that it is not enough to drop off/pick up from the clubhouse.

Please be aware that the car park is heavily used both my vehicles and pedestrians so extreme care must be exercised when crossing on foot and when driving. No child should ever play in the carpark.

I understand that CCTV is operation at Beaconsfield Tennis Centre.
