

Billingshurst Tennis Club Use of Changing Rooms Policy

Billingshurst Tennis Club (the club) strives to ensure that all children are safeguarded from abuse and have an enjoyable tennis experience.

This document sets out the club's policy for the acceptable use of our changing rooms.

We strongly recommend that players come to the venue already changed into suitable clothing and go home afterwards to change and shower.

Adults should not use the changing rooms and toilet areas at the same time as children and vulnerable adults unless they are part of their immediate family.

Under no circumstances will adult staff, coaches or volunteers change at the same time as children using the changing rooms.

Mixed gender groups of children have access to separate changing rooms. There is also a disabled toilet area that can be used.

Mobile phones and other electronic devices must not be used in changing rooms.
