

Data Protection

This data protection policy sets out how Blewbury Tennis Club uses and protects any information that you give Blewbury Tennis Club.

Blewbury Tennis Club is committed to ensuring that your privacy is protected. Should we ask you to provide certain information by which you can be identified, then you can be assured that it will only be used in accordance with this privacy statement.

Blewbury Tennis Club may change this policy from time to time.

What we collect

We collect the following information from our members: Name, Contact information including postal & email address and telephone numbers. Demographic information such as postcode.

Your children's sex, date of birth, any health issues and school.

What we do with the information we gather

We require this information to understand your needs and provide you with a better service, and in particular for the following reasons:

- Coaching for you or your children
- Club Communications
- Membership Renewals

We may use the information to improve our services. We will periodically send emails about club news or other information which we think you may find interesting using the email address which you have provided.

Security

We are committed to ensuring that your information is secure. In order to prevent unauthorised access or disclosure we hold membership data on a system called WebCollect.

Their security policy is detailed here: <https://webcollect.org.uk/pub/security>

Controlling your personal information

We will not sell, distribute or lease your personal information to third parties unless we have your permission or are required by law to do so.

You may request details of personal information which we hold about you under the Data Protection Act 1998. A small fee will be payable. If you would like a copy of the information held on you please contact us at members@blewburytennis.co.uk.

If you believe that any information we are holding on you is incorrect or incomplete, please write to us via email. We will promptly correct any information found to be incorrect.
