Participation of non-club members in the club teams

3. A non-club member can only participate in a maximum of 4 games per league season.
4. A maximum of 2 non-club member players are allowed to play in any one match.
5. An enhanced match fee will be payable by non-club member team players (to be agreed by the club management committee on an annual basis).
6. Non-club member team players do not have membership of the club by virtue of playing for the club teams and are only permitted to play at the club by arrangement for a) participation in league matches (as items 1 – 5 above), b) participation in club open tournaments as a visitor and/or c) play as a club visitor in accordance with the BTC rules for visitors.
