## 2024 SUBSCRIPTION RATES

We offer a variety of membership options to suit the needs of most players; the alternatives are explained below. Please indicate the category of membership you are applying for by ticking one of the boxes.

Given the number of courts/number of members ratio and to ensure that club sessions (see below) are attractive to as many members as possible, we do ask that members wishing to attend club sessions are of a playing standard to allow for reasonably well-matched games to be played. By playing standard we mean that members should feel reasonably confident in playing all stroke types (i.e. forehand, backhand, volley, serve) and an understanding of tactics including 'court awareness'.

New member applications are subject to acceptance by the Committee. The Committee are required to consider the overall balance of the membership and whether an increase in numbers will lead to an adverse effect on Club sessions given the fact that the Club only has 3 tennis courts.

Bloomfield offers a 3 week trial membership during which time you will have the opportunity to try out our facilities and join in Club Play sessions. The subscription rate for this period is £30 per applicant.

If the applicant wishes to join, and is accepted by the Committee, the £30 fee will be offset against a full subscription

The membership season runs from 1st April until 31<sup>st</sup> March. The following rates apply to annual membership and are due by 1st April; renewal subscriptions are subject to a surcharge of £10 if not paid by 30th April. There are no discounts for part years unless membership commences from September (or later) in which case a 50% discount will apply. All subscription fees are non-refundable.
