f) Footnote: General Adult/Family Swimming and Gym Sessions

We reviewed our services during the pandemic. Unfortunately, **lane swimming and family swimming** were cancelled and remained cancelled. This is due to the size of our pool, changing rooms, absence of adjoining reception & additional staffing needs. **Gym memberships** were cancelled, due to the size of the facilities and additional staffing needs. Swimming lessons continue.

All bookings must fund themselves; however general swimming and gym sessions are unable to do this - neither during nor after the pandemic - given the above considerations. We do, however, continue to offer swimming lessons, facility hire, courses & squash (or tennis) membership.
