## **Bovingdon and Flaunden Tennis Club – Covid Match protocols**

---

We want to welcome players to our club but the safety of all players is our top priority. Please therefore be aware of our protocol below before you visit our Tennis Club and please comply with all government and LTA guidance associated with COVID-19 (social distancing, hand hygiene and so on) while visiting.

### **Before you Arrive**

1. We will have cleaned key areas of the clubhouse and set the net heights to the correct levels, set out scoring posts where necessary and prepared for your visit. This should allow us to minimise contact points you will encounter at the club.

### **When you Arrive**

1. Please use the hand sanitiser available adjacent to the clubhouse and court entrance gates before and after play and we ask you to register your presence using the QR code which links to a Google form.
2. Please observe appropriate social distancing when utilising the available seating.
3. The clubhouse will be open and toilet facilities in our clubhouse are available. There will be a limit of six people in the clubhouse at any time.
4. A mask **MUST** be worn on entry to the clubhouse and you are asked to sign the register.
5. Please use the wipes provided to wipe anything that you have touched within the clubhouse. Do not dispose of wipes in the toilet but use the bin provided.
6. If scoreboards are in use, we will nominate one person in each rubber to update them to limit physical contact.

### **During the Match**

1. Always retain social distancing including ensuring safe changing of ends.

### **After the Match**

1. Well done on completing your match but please avoid unnecessary physical contact such as handshakes. Please use the hand sanitiser available.
2. We will keep a record of the names and phone numbers of all players for track and trace purposes which will be retained for 28 days.
3. Unfortunately we do not feel it appropriate to offer post match refreshments at this time. You are welcome to bring your own refreshments or, if appropriate and safe, we may arrange to go for a socially distanced drink at a local pub after the match.

**Thank you, we appreciate your co-operation during these difficult times.**
