### ABOUT ME:

We are meticulous about your welfare at Brooklands Tennis Club. All our coaches have recent Disclosure and Barring Service (DBS, previously CRB) checks. In line with Lawn Tennis Association (LTA) recommendations, we ask all our coaches to fill in self-certificates every twelve months. The LTA strives to ensure that all children, young people and adults at risk are safeguarded from abuse and have an enjoyable tennis experience.

I am an active club team member, captain of one of the men's teams, and a committee member. My role includes receiving and acting on any reported welfare concerns, whether they come from members of the club or members of the public. I ensure that all welfare related policies are implemented and promoted and that the club follows best practice in safeguarding.

I am often at the club. Please come and speak to me if you would like to discuss any welfare concerns or have any suggestions about how we can make the club safer for our young players and vulnerable members. Alternatively, please contact me either by phone or email. If you are unable to contact me please call the British Tennis Services team on 020 8487 7000 (Monday to Friday 9am to 5pm) or email [safeandinclusive@lta.org.uk](mailto:safeandinclusive@lta.org.uk)
