Use of Changing Rooms Policy

Broseley Tennis Club strives to ensure that all children are safeguarded from abuse and have an enjoyable tennis experience.

This document sets out our policy for the acceptable use of our changing rooms.

As a small venue with no permanent members of staff, **Broseley Tennis Club recommend** that it is more practical for players to come to the venue already changed, wearing suitably warm clothing e.g. tracksuits, and go home afterwards to change and shower.

Where the changing rooms are used the following apply: -

1. If adults and unrelated children need to share our changing rooms, they should do so at different times.
2. Mixed gender groups of children should use the designated separate changing rooms.
3. If we are made aware that a child or adult self-identifies as a gender that differs from the gender they were assigned at birth, we will work with them and their parents/carers (where it relates to a child) to make reasonable adjustments to changing arrangements to suit their needs (*n.b. for more information on this please look at the NSPCC website "Keeping your Child Safe in Sport" and "Child Protection in Sport Unit" sections*).
4. Mobile phones and other electronic devices must not be used in changing rooms.
5. For children the parent or guardian has responsibility for their children while using the changing rooms.

The Club will display the full policy as a poster in each of the Changing Rooms.

In addition to these posters, the following will be displayed as a poster on the Changing Room doors.
