

COACHING REPORT 2020

Nigel Mann continues to deliver the Coaching programme at Burnham Tennis Association in a very turbulent year!

Between September 2019 and March 2020, numbers in the Saturday Coaching programme have remained strong. Sadly, the first lockdown was announced, and all Saturday Coaching was cancelled until recommencement in September when numbers were encouragingly good.

Sue Gray runs Mini Tennis Coaching sessions on a Friday and also during the summer school holidays.

Mini red / orange/ green and yellow ball matchplay evenings/afternoons this year at the club and league fixtures have been curtailed due to the virus.

From the resumption of Tennis after the first lockdown, Nigel Mann resumed individual coaching sessions in May 2020 for members, demand remains buoyant with approximately 5-8 members regularly enjoying lessons. Adult group coaching for members/non members and team players resumed in September with Lewis Brown delivering the sessions. The feedback and demand for slots has been positive.

Nigel Mann would like to thank coaches and juniors who have supported him in the delivery of the Coaching programme during 2019-20 including Sue Gray, and Robert Flynn and a number of older Burnham Juniors who help the very young Burnham juniors.
