Key Safety notes and measures

If you develop symptoms of COVID-19 after playing, then you are required to follow the Government's 'test and trace' guidelines on the Government's website www.gov.uk

- Undertaking any activity, including tennis, has the potential for increased risk of infection or transmission of COVID-19. Read the Government's guidance on staying safe outside your home.
- Before you attend the club, you must undertake a pre-attendance self-assessment for COVID-19 symptoms using the information on the NHS website before leaving home, then follow guidance.
- Do not come to the courts if you have a positive COVID-19 test, or are symptomatic, or live in a household with someone who has a possible or confirmed COVID-19 infection, or if you have been in direct contact with someone who has tested positive for COVID-19, or if you have been asked to self-isolate by NHS Test and Trace, until your self-isolation period is over.
- Bring your own first aid kit for minor incidents. For major incidents, Beversbrook staff will attend, so alert them and the emergency services directly.
- The clubhouse is open to members but only to collect/return tennis balls, the 'ball machine', chairs and the net adjuster. Remember to use anti-bacterial gel after touching equipment.
- Beversbrook toilets are available for use.
