

## Singles League 2021

**Format:** The league will include a mix of men, women, boys and girls. Play one match against each of the other three players in your box before the end of the month. The player with the highest points total in each box will move up a level while the player with the lowest points total moves down. Players joining/leaving the league will affect this movement. All matches will consist of the best of 3 sets. Any set reaching 6-all will be decided by a 7 pt. tie-break game.

**Balls:** Please do not open new balls. Balls and a score sheets will be available in the box clearly marked 'For singles league' in the clubhouse.

**Scheduling:** A fixture list will be produced with a guide as to who should play who on a weekly basis. This is to try and encourage more matches to be played.

**Scoring:** Points are awarded according to the following system:

1. 1 pt for playing a match
2. 4 pts for winning 2-0.
3. 2 pts for winning 2-1.
4. 1 pt for losing 1-2.

**Reporting Scores:** The winner of the match is responsible for returning the completed score sheet to Chris Butler or Neil Ronan. The league coordinator will post the match scores on the website ([www.castletowntennis.im](http://www.castletowntennis.im)) and on the club notice board. **Scores must be submitted before midnight on the last day of the month!** No points awarded for defaults.
