

Changing Room Policy

- Only Gender-specific changing rooms for mixed age groups are available. They are provided by Balcarras school and Charlton Kings Tennis Place has no control over them, nor does it have the resources to supervise their use. The onus is on members using the changing rooms and on parents of under 18s to ensure that this policy adhered to.
- It is anticipated that the vast majority of members will arrive at the courts already changed for play. No pressure will ever be put on someone to use changing facilities.
- Where possible, there should not be a time when a lone adult is present in the changing room when U18's are there as well and similarly, there should not be a time where a lone U18 is in the changing room when there are adults present (unless when the U18 is accompanied by their same-gender parent).
- Mobile phones, cameras or any other recording devices must not be used in changing rooms at any time.
- Parents of U18s are allowed to supervise their same-gender child whilst in the changing room.
- To report any concerns please contact the Welfare Officer, Sue Thomas, email: suzanneclarethomas@gmail.com, mobile: 07850 757022.
