Thinking about joining our club?

LTA Registered Venue

Welcome to the Cheam Fields Club – Tennis Section

We hope you will decide to join our club and will have many happy years of playing tennis here. Membership of our club includes automatic social membership so you will be able to meet other members at our social events. We can also offer combined tennis & bowls membership if you fancy trying both sections. All members benefit from the use of our main Clubhouse with competitively priced and licensed bar, resident caterer and changing rooms. In addition, the tennis section has use of the tennis pavilion for shelter and toilets, this is situated next to court one.

Safeguarding is a very important part of what we do here at Cheam Fields. This is about making sure that everyone at our club knows that their welfare is at the forefront of everything we do and it's about making sure there is a positive & safe environment here with strong safeguarding procedures in place.

Our tennis section offers:

- 6 all-weather Astroturf courts, 3 of which are floodlit
- Flourishing Adult, Junior and Young Adult sections
- FREE junior coaching sessions for full junior members
- Friendly atmosphere
- Social sessions & competitive tennis all year
- Full winter schedule of social and coaching sessions under floodlights
- Professional coaches

Junior Tennis

We have a fun and active junior section which is run by MDL coaching. Our full junior section membership includes weekly coaching on Saturdays (bookable through MDL coaching / Cheam Fields Club Saturdays (lta.org.uk)) and offers children the opportunity to play through the different ability ranges from beginner to competition squad.

Adult Competitive Tennis

We also have a number of teams playing in the Surrey and Dorking & Leatherhead Leagues. If this is of interest to you, we can put you in touch with our Club Captains for further information. We run an annual Club Championship from March to July and hold a Handicap Tournament every other year in September and October. American Tournaments run throughout the year and are very popular. Juniors also have their own tournaments.

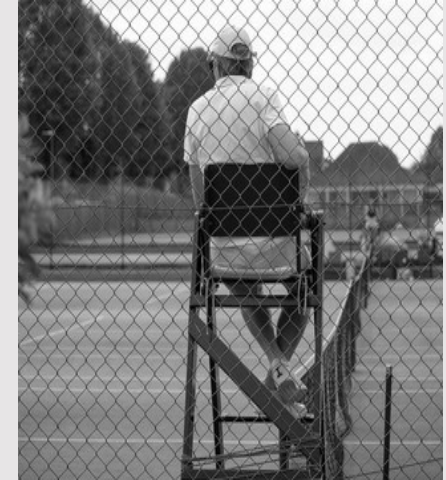

Adult Club Sessions

We run popular, friendly social sessions every week for members. These sessions are for players who have played tennis before and are able to serve and rally. Our social sessions are run by session leaders who will mix you in with other players throughout the session. These sessions are a great way to start playing at the club and meet other members. Once you've joined you can just turn up to a session and you will feel at home in no time.

The Clubhouse Bar & Social Events

We have a Clubhouse next to our bowling green and the bar is open throughout the year. We have regular social events from weekday curry nights to organised evenings such as summer barbecues and themed parties. Membership of the club includes social membership and our regular newsletters keep members up to date with what's coming up. All bar staff are volunteers and we are always looking for new helpers to work behind the bar.
