

Cheddington Tennis Club's

SUMMER SPECIAL

**Only £40 per household
/ £20 per individual**

Are your kids bouncing off the walls?

Are you missing your regular gym workouts?

Is all that home baking taking its toll on your waistline?

Within government guidelines, individuals (singles only) and families (doubles within same household) are now permitted to play tennis outdoors. We are offering a special one-off deal which covers the next 3 months only (1st June - 30th August 2020).

Tennis is a great way for families to exercise together or for individuals to have some socially-distanced time with friends. Contact vanessa.chadwick@friedfrank.com for details.

Why a "Summer Special" membership and not a "pay as you play" system? This is because we are an LTA registered Club and have to ensure that anyone using our facilities is covered by members' insurance.

Our SUMMER SPECIAL is a basic, one-off membership for 2020 and does not include any of the benefits of full membership such as, use of floodlights, club night, discounted junior coaching, entry in to Wimbledon Tickets Draw, league matches, club tournaments, social events, senior's sessions etc. If you are interested in full membership, ask about our special "Early Bird Membership Rate".
