

Unsupervised Children Policy – Cherry Burton Tennis Club

Cherry Burton Tennis Club recommends that children under the age of 13 are supervised by their parents/carer whilst at this tennis venue for general play. Children under the agreed age of supervision should never be left unsupervised by a parent/carer even if there are other adult club members or staff present except when attending an organised venue event such as a coaching session or a tennis camp. If the parent/carer is unable to supervise their child, arrangements need to be made by the parent/carer to designate an alternative adult to supervise. The club and child must be aware of any such arrangements.

Arriving and Leaving The Club Alone

Children under the agreed age of supervision should not be allowed to arrive at or leave Cherry Burton Tennis Club alone unless the club has explicit consent from the parent/carer.

Parent's Responsibility

It is a parent/carer's responsibility to teach their child how to respond to emergencies or situations that may arise outside the house, so they feel confident when their child is not under their supervision.
