

## **Frequently asked questions**

### **Can the courts be booked in advance?**

We do not operate a court booking system but ask that members make way, after 30 minutes, for other players. This only applies when the club is busy.

### **Are there any time limits to use the courts?**

You can play for as long as you want if the courts are not busy.

### **Are there times when the courts are not available?**

Club matches that are planned to take place can be seen on the matches section of the club website. Most of the time there will still be courts available for general play. Courts will be busier at the following sessions. Women's match practice takes place on a Monday evening from 6pm. Men's match practice is on a Wednesday from 6pm

### **Does the club supply tennis balls?**

To keep membership fees as low as possible we ask members to use their own tennis balls.
