8. League and dates

We don't have any dates at the moment so it was agreed to see how many players could be fielded for each team before deciding. WhatsApps were sent to both Men's and Ladies' groups and are awaiting replies.

Opening Day will be Sunday 2nd April 2023 at 1pm. A notice will be put in the shops and clubhouse to advertise the opening. We will hold a mini-tournament on the day.

9. Negotiating new lease/community asset transfer

Discussion was had about the lease and it was unanimously carried that we should pursue a 25 year lease from South Ayrshire Council rather than a Community Asset Transfer

10. AoB

It was agreed that the club should raise Adult, Intermediate, Concession and Family fees by £5. Junior fees are to be left as they are.

Karoline Farzelayez has agreed to take on the junior coaching sessions after she completes her Grade 3 level, possibly at the start of April. She asked for coaching volunteers to assist her, especially men when coaching juniors, and depending on the time of the classes, and the committee agreed to help out.

Lynn proposed to make Karoline Farzelayez an Honourary member of the club and it was passed unanimously.

Adam and Gregor should be approached with a view to increasing their coaching skills to Level 2.
