

Welcome to Coylton Tennis Club.

There's been a tennis club of one type or another in Coylton for nearly a hundred years. If you or your children (preferably both) have just joined, we're so glad you are continuing the tradition. If you haven't joined, read on and we hope we can persuade you.

Sometimes newcomers are wary of jumping in to a new sport, or one they haven't played for years, particularly among strangers. You needn't worry. The club is run by the members for the members, and without new members we won't exist. We're very friendly and welcoming, and whether you are a beginner or an accomplished player, you'll meet someone whose standard is similar.

We play all year round, day and evening, on three outside all weather courts with floodlighting. We offer social and competitive tennis and coaching for all ages and abilities and have a strong junior section.

Though we're a small village club, over the years we've produced players at District, County, South of Scotland and national level, one of whom is now a top coach with Tennis Scotland. Every year we field teams in the Tennis Ayrshire Adult, Mixed Doubles and Masters (over 50s) leagues. Our junior program ranges from 5-16 years old and at primary school age we have at one time or another won every available tournament in Ayrshire.

The club runs junior coaching all year round, on the tennis courts or in the nearby Activity Centre. At present we are negotiating to restart adult coaching and hope to have something in place soon. In the meantime beginner adults are more than welcome to come along and try our ladies' and men's practice sessions which run on Monday evenings for ladies and Tuesday evenings for men over the summer months.

Parents should be aware that we apply strict safeguarding practices as specified by our parent body the Lawn Tennis Association (LTA) and all our coaches are subject to child protection records checks. Our Safeguarding Policy is available on the website (see overleaf).

If you want more detail on the above or anything about the club, scan the QR codes on the back of this page.

Once again, welcome aboard!

Lynn Drummond, Club President
