### Chair Update

Dear members, here is an update as I complete month 5 as your club  
Chair:

Dome safety system complete and operational. Thank you to Scott  
Ketteringham at Crawley Locks and Alarms Security, our security  
provider.

The dome entry flooring will shortly be covered with an absorbent  
covering and leveller. This will make it safer for all.

The top of the entrance will be sealed to make it waterproof and the  
outside will be painted Wimbledon Green.

Our Gardeners are working on the club grounds, tidying and clearing, and  
Crawley Council are due shortly to work on the trees and hedges that  
are under their remit.

The Future's Planning Group has completed its findings on our lease  
going forward, with a meeting with Crawley Council arranged.

We have a busy and exciting last 1/4 (Sept - Dec) both on and off court.

I will kindly ask Club Member's, Family and Friends to support the  
events and get involved as spectators or volunteers.

Schedule for Court maintenance has begun by our management team and  
information to club member's will be on-going.

Thanks to our Team Captains and player's for representing our Club in  
the manner that they do; they are certainly putting our club on the map.

We are getting a healthy number of new member's joining the club,  
please make them feel welcome and say hello.

Thank you all for your continued support.

### IT support needed!

The committee are looking for someone who can become our Clubspark  
'expert'. We'd like someone to take some time initially to learn about

Clubspark and its workings. Going forward you will be able to  
change/manage the settings in the system and step in to cover when the  
Membership Secretary and Bookings Manager are away on holiday.

This role requires minimal commitment and will not require you to sit on  
the Committee or attend Committee meetings.

If you are interested, please contact us at:
