Chair Update

Dear members, here is an update as I complete my 8th month as your club chair.

We have recently had Dome entry and exit problems and needed to call our engineers to make repairs. It is not the system that is the problem but unfortunately users including parents of the dome users not following instructions posted on the door.

DO NOT PULL OR PUSH ON THE DOORS BEFORE ENTERING THE 4 DIGIT ENTRY NUMBER ON THE KEYPAD OR PRESSING THE GREEN BUTTON ON ENTRY OR EXIT IN THE DOME OR THE AIRLOCK.

This will cause the magnet connections to become loose and resulting in the doors not being operable and alarm sounding.

Please ask someone if you need assistance.

Management Team projects being worked on.

Resurfacing of paths.

Car Park Lighting installation.

Upgrade of lighting in Clubhouse.

We are still attracting a number of new members to the club. Please make them feel welcome and say hello.

As this is my last Chair report before the end of the year, can I take this opportunity to wish you and your families a very Merry Christmas and a Happy and healthy New Year.

As always, thank you for your continued support.

Remember:

Tennis Buddies WhatsApp group has a significant number of members.

It is a great way to connect with fellow tennis players. It is not the place for private conversations or to air issues about the club or each other. Any concerns of this nature should always be raised with a committee member so that it can be addressed.

Committee contact details can be found at the foot of this newsletter.
