Chair Update

Dear members, here is an update as I complete my half yearly period as your club chair.

The dome entry flooring just needs to be laid with a non-slip finish and this will complete the entry work in its entirety.

Garden work has been worked on by both our club gardener and the council.

The Future's Planning Group will deliver their final report to the Management Team with their findings. Communication will be made by the MT to the club members on further information with this project.

September was a busy month with several events being held.

Finals Day was a great success and thank you to all those who helped organise and attended.

Congratulations to all the Champions and well done to those who participated in their respective finals.

We have a **Charity Tennis Tournament in aid of MS Society** on **Saturday 23rd September** with 16 players taking part. We hope to donate as much as we can to this great cause.

The clubs Open Day will be held on Saturday 14th October and we will kindly ask for your help on the day. Details will be sent out leading up to this event.

We are still attracting a number of new members to the club. Please make them feel welcome and say hello.

As always thank you all for your continued support.

Summer 2023

An action-packed Summer for the club's county players, Hugo Young, Rome Singh, Emily Munday & Tom Munday

They all competed in the Sussex Junior County Closed Championships. All winning many matches with Rome making the semi-final in his age group.

Tom Munday was crowned U11 doubles champion and runner up in the U11 singles event.

All played amazingly, watched on by myself, Rhys & Chris, some tense parents and our very own chair, Russ Rego.

Rome also won tournaments at Horley and Storrington, whilst Hugo gets his first win at Redhill. Great work boys!

Emily won her first grade 4 event with numerous runner up medals in other events during the Summer.

Tom won his first grade 3 event and competed in his first grade 2 tournament finishing 10th (now ranked 23 in UK)

Well done Emily & Tom

All players are doing really well, gathering more experience as they enter more tournaments.

There is also another other set of players ready to start competition, so hopefully we will have more news to bring to you soon.

See you on court!
