Safety Notice

In this cold weather the condensation in the dome causes the indoor courts to be a little slippery in the mornings.

Please be aware and be careful.

Update from the Chair

My 5 years tenure as chairman comes to an end at the AGM on 24th March next year, so the club will be looking for a replacement. Might it be you? It doesn't need to be for 5 years and its very satisfying working as part of a great team, helping the club evolve and develop.

We have made a lot of progress over recent years and you could help maintain the momentum. You can contact David at secretary@crawleylta.co.uk for more info or myself at chairman@crawleylta.co.uk

Merry Xmas! Tim

Code of Conduct

This is the **seventh & eight** codes in our Code of Conduct series:

These Codes of Conduct, or tennis etiquette, are based on good practice developed by the Lawn Tennis Association around the standards and values expected to be adopted by tennis clubs around the country.

7. Seats are for sitting on, they are not bag racks:

- Avoid leaving your tennis bag or accoutrements on the seats or chairs around the court. They are there for sitting on and not to be used as storage racks, so put your bags on the ground and out of the way.

8. Be considerate by practicing good ball management:

- Any time your opponent has to walk a significant distance to get a ball, look around your side to see whether you can use that time to collect a ball that's similarly far away.
- It's rude to make the server pick a ball up off the ground when you could have sent it so that it could be caught after a bounce or two
