Chair Update

Dear Members, here is a brief update as I complete my
4th month as your Club Chair.

The enhanced dome entry safety system is now fitted and
awaiting commission and sign off. Full instructions will be
provided for use of the system when fully operational.

Club Fire Safety Report completed and minor work to be
undertaken.

Club PAT Testing and Electrical Inspection complete and
minor work to be made.

We had a very successful and productive Club Open
Evening on Friday 23rd June in terms of recruiting new
members. Thank you to our volunteers who helped out, you
know who you are.

James and the Social Committee are working hard with
putting on events for the membership.

Council Tree and Hedging Manager visit to start work on
trimming trees and cutting and reducing grass on their
responsible perimeter. Date to be confirmed.

Finally, please remember security of our club is
everyone's responsibility. Locks and alarms to be enabled
if you're last person(s) to leave.

That's all for now and please welcome our new members if
you come across them at the club.

Thank you to all for your continued support.

Club Team Captains needed!

If you are interested in supporting our teams and have a
spare hour per month (on average) please think about
becoming a team captain.

**You do not need to play for a team, it can be solely an
administrative role.**

We are looking for captains for a mens team and a ladies
team (or both if you have the time).

If you are interested in taking up this valuable support role
or if you have any questions, please contact

grant@seriousaboutsportltd.co.uk

Junior events

Sunday 23rd July at 11am we have a grade 6 mini red competition. This will be a Match tie-break to 10 format and the draw will depend on entries.

It is £15 per person.

Should you wish to enter, please follow the link below or contact amberslaneypaice@hotmail.co.uk

Code of Conduct

This is code 13 and 14 from our Code of Conduct series:

13. Don't roll balls behind or onto someone else's court during a point:

- If a ball comes onto your court from another match, wait until they have finished their point to return their ball or roll it back but not to where they could potentially trip and fall.

14. Don't practice your shots against the dome walls:

- When playing in the dome don't use the side of the dome for hitting practice. Apart from being annoying to other players and disrespectful to Club property, it can also damage the dome stitching.
