

CTC Summer Tournament sponsored by S&P

The annual Cringleford Tennis Club Summer Tournament, sponsored by Smith and Pinching, took place this year between 1st May and 10th September. Entrants consisted of club members of all ages and abilities, with 17 Singles players and 47 Doubles players.

Thanks to all members who played a total of 60 matches over the course of the summer. It's never easy organising matches when everyone is off on holiday but most matches were played in good time.

All tournaments culminated in a wonderful finals day. With temperatures reaching 30 degrees, matches were brought forward to avoid the midday heat. In total 7 finals were played, with 3 others being postponed for various reasons. Thank you to those who brought along gazebos to provide some shade, and a big thank you to Holly Setchell for bringing ice water jugs to the players between sets.

Trophies and prizes were presented by our Chairman, Chris Mitchell and Sam Tyson, a representative from S&P.

Members also enjoyed a buffet, cake and Prosecco. Thanks to Malcolm for organising the buffet, and Sally Hardwick for orchestrating the cakes and icing even though she wasn't able to attend.
