## County Seniors Tennis

The LTA run competitions at the following age groups:

- 1) Over 35 – Two weekend events (Men's & Women's) hosted at Devonshire Park Eastbourne in August
- 2) Age Groups from Over 40 - Over 80 played in leagues with fixtures organised by team captains during the summer season. The results of these leagues produce promotion and relegation for the next season. A group consists of 4 to 7 teams producing 3 to 6 matches per season played either home or away, usually indoors. The LTA attempt to place teams in one of two parallel groups, eg, 3A or 3B, on a geographical basis to minimise travelling.

The format of matches is either Two singles and Three doubles OR Four doubles, in either format a team needs a minimum of Four players and is allowed One substitute to play one out of the Four or Five rubbers.

Currently (2024) Derbyshire are running the following age group teams:

- Over 35 Men – 2 singles & 3 doubles
- Over 35 Women – 2 singles & 3 doubles
- Over 45 Men – 2 singles & 3 doubles
- Over 55 Men – 2 singles & 3 doubles
- Over 60 Women – 2 singles & 3 doubles
- Over 65 Women – 4 doubles
- Over 65 Men – 2 singles & 3 doubles

Anyone who would like to see an extra age group team needs to be prepared to captain that team!
