

## **AGM 2019 Competitions Report**

In 2019 we introduced the Nexus Junior Tennis Tour which has been extremely well received by players, parents and coaches. We are in the 3rd season and so far over 65 players have competed across the 12Us and 16Us since September. The number of girls playing in the 12Us doubled from the 1st season to the 2nd season and we hope this will be maintained or continue to grow. Thanks to ARC, EGCC, SDTC and Tarka for running events across the year.

The Whirlwind Mini Tour continued to be a success with over 145 10Us playing in both the summer and winter seasons last year. We have approximately 30 events across red, orange and green running each season so a huge thank you to all the organisers and the venues (SDTC, Tarka, EGCC, Exwick, ARC, Nuffield Devonshire, Ilfracombe).

Thanks to our sponsors Whirlwind and Nexus for their continued support and for all the fantastic prizes that the finalists were able to enjoy.

In 2019 Team Tennis (which has now been rebranded as the National League) saw 70 teams compete across the Junior and Adult age groups.

The 2019 Junior County Closed was run at SDTC and the Senior Closed (Devon Festival of Tennis) at EGCC. The Junior CC saw a huge increase in entries from the 2018 JCC, with an additional 93 players competing across the age groups.
