

DEVON LADIES SENIORS INTER-COUNTY CHAMPIONSHIP REPORT 2020

We held practices until the first lockdown in March 2020. We had entered only four age groups as the 75s squad had injuries, although hoping to re-enter 2022.

The intercounty tournament was eventually cancelled in the summer 2020 with no matches played.

The LTA have altered the tournament for 2021 for one year only, drawing up regionally based leagues to avoid overnight stays if possible.

The teams our ladies' squads will play are a mix of:

Cornwall, Dorset, Somerset, Avon, South Wales, Gloucestershire, Wiltshire.

This format is intended to run for 2021 only with the 2019 league positions being used for the 2022 leagues.

Many thanks to the captains who have spent a lot of time making arrangement for last year's events and for practices. They welcome new players interested in playing for Devon. Do contact me if interested, catrionabatty@gmail.com.
