

DEVON Men's SENIORS INTER-COUNTY CHAMPIONSHIP REPORT 2020

The coaching/recruitment sessions in 2020 at various venues in the County were cancelled due to Covid.

It is hoped that these sessions can be started again in 2021 as soon as regulations permit,

The inter-county tournament was eventually cancelled in the summer 2020 with no matches played.

Please note that the Inter Club Competition for this year has extended its entry date to the 21st February, was 24th January 2021.

The LTA have altered the tournament for 2021 for one year only, drawing up regionally based leagues to avoid overnight stays if possible. Current advice is that all matches must be played outside.

The Counties our men's teams will play are a mix of:

Cornwall, Dorset, Somerset, Avon, South Wales, Gloucestershire, Wiltshire and Hampshire IOW.

There will be four or five matches to be played in each of the age groups, the draw indicating home or away is scheduled for distribution at the end of February.

This format is intended to run for 2021 only with the 2019 league positions being used for the 2022 leagues.

Many thanks to the captains who have spent a lot of time making arrangement for last year's events and for practices. They welcome new players interested in playing for Devon. Do contact me if interested, krajon@aol.com or the captains listed below.
