* New category for those adults normally living more than 30 miles from the club who wish to play occasionally. Entry to this category will be restricted to no more than six members and at the discretion of the Committee.

Alternative is to Pay and Play at £5 for adult and £3 for child for a one-hour session with court-only access guaranteed - booking required with Administrator - maximum 10 sessions per year.

Guest players must come with a member who pays £5 for their adult guest and £3 for a child per visit, to be booked and paid in advance with Administrator. Limit of 5 times for same guest per year.

Anyone wishing to play from the start of the new membership year will pay the full subscription.

If someone cancels a direct debit before the end of the full payment and wishes to join again the following year, they will be required to pay up for the previous year and the following year's subscription in full at the start of the year.

The Committee will consider reducing subscriptions at two points during the year for those joining mid-season and will advertise as appropriate.

Occasional, small reductions may be offered as part of projects (e.g. Tennis For Kids), in return for business sponsorship or as a marketing incentive, at the discretion of the Committee.
