The Broadhead Court

There was a fantastic turn-out for the special mix-in on Sunday 22nd May to celebrate the unveiling of The Broadhead Court (Court 7). Richard, his sister Rachel, and parents Allan and Stephanie have been stalwart members of the Society for many years, with Richard blazing a trail on court throughout the 1990s. The event

was a chance to bring together members old and new to say thank you for the Broadhead family's huge contribution to the Society (and of course, enjoy some

Sunday afternoon tennis at the same time).

Thank you to Neil Glasspool and Vic Lyttle for the speeches and presentation, Jayjay Parker for organising the mix-in, and Veronica Hartmann and Linda Strain for the amazing scones and cakes.

Freshly-sanded astro courts

Courts 7 & 8 received a much-needed re-sanding earlier this month, which has greatly improved the drainage on both courts. This means fewer puddles (even after a heavy downpour) and more playing time!

Court re-surfacing & parking restrictions

Work is due to begin on Courts 11 & 12 on 20th June to upgrade the current shale surface into new all-weather hard courts. This will take a minimum of six weeks (plus another three before painting). We envisage that this will have the following impact on members:

- We will be two courts down over the summer, so please bear that in mind when planning your games.
- During this period, there will be considerable construction traffic on the lane, so we may all have to practice our reversing skills!
- The lower car park will be out of action. If possible, members are encouraged to walk or cycle to the club at busy periods. Alternatively, there is street parking available on Richmond Hill Road (5 minutes' walk from the club). Parking restrictions may apply at certain times on other roads surrounding the club so **please check in advance**.

EA<S in Artefacts Magazine

The Society received a mention in the <u>summer edition of Artefacts</u>, the magazine of the Friends of Birmingham Museums, in an article entitled "Keep on Running," which traces the history of sport in the city in the lead-up to the Birmingham Commonwealth Games. Society Historian Bob Holland offers a small clarification to the published article, based on his extensive archival research on the origins of lawn tennis:

You state that it is generally recognised that lawn tennis originated in Edgbaston and indeed for many years this was thought to be the case. It has now been determined that Harry Gem and his friend Augurio Perera developed and played a forerunner of the game in the garden of the latter's home in Ampton Road. The blue plaque was erected back in the 1970s and, since then, we learn that they started playing their version earlier than 1865, possibly as early as 1859. They had no commercial interest in their creation and, although it was played at the club they formed in Leamington Spa in 1874, it went no further and was soon superseded at Leamington by the Wingfield/MCC version. This, in turn, was considerably revised by the All England Club in readiness for the first Championships at Wimbledon in 1877 and largely unchanged since.

The Society is acknowledged to be the oldest surviving lawn tennis club in the world, still playing the game on grass courts which were laid out originally in 1875.

As attention this summer turns to Birmingham as a global sporting hub, we celebrate our status as a key part of the city's rich sporting heritage.

Welcome to new members

We offer a very warm welcome to our new joiners: Isobel Pery, Stephen Pong, George Bender and Patrick Wu; it's been great to see you at the club nights and social mix-ins over the last few weeks. The Open Day on 14th May was also a great success and we look forward to formally welcoming those new members next month.

House & Grounds update

The usual H&G meet on the first Saturday of the month has been impacted by the forthcoming Bank Holiday, so the next session will take place on **Saturday 18th June** from 10am-12noon. Please feel free to don your gardening gloves and come along to help out. There is plenty to do in preparation for the shale court refurb. Many thanks to all the volunteers who have given their time so far this year – all support is greatly appreciated.

Clubhouse security

There have been a couple of instances recently that have led us to review security arrangements and reiterate the need for personal responsibility. There are a few very simple actions that we are asking members to take:

- If you are the last person to leave the club, please remember to put the bar across the back door leading to the terrace. It is sometimes the case that the door is left wide open on a Saturday afternoon until the clubhouse is locked at 9pm.
- Please don't leave any belongings unattended.
- If you are entering the club via the side gate or the front door (i.e. where there is coded access), please don't let anyone tailgate you into the building unless you recognise them as a fellow member.
