

Ellon Tennis Club Policy on Supervision of Children

Coaching Sessions - supervision

Children can attend the coaching sessions without a parent/guardian in attendance. This is on the understanding that coaches have informed the parents beforehand of the level of supervision which will take place during the coaching sessions. It is therefore the responsibility of the coaches and not Ellon Tennis Club to ensure that supervision follows LTA guidelines.

Coaches should be qualified to LTA Coaching Accreditation Level 2 and complete the LTA Safeguarding in Tennis Together for Coaches course.

Arriving and leaving a venue alone

Children under the agreed age of supervision should not be allowed to arrive at or leave the venue alone unless you have written consent from the parent/carer.

It is recommended that coaches using Ellon Tennis Club courts in Gordon Park, Ellon, should conduct a risk assessment of the venue, including access to its facilities, the location and security measures before a series of coaching sessions begin.
