Individual hourly rate - £36.00

Previously played to a high tennis level

LTA accredited Level 2 Coach

First-aid trained

About Me

Francis played tennis from an early age in Venezuela where she was nationally ranked through her teenage years. She continued to play through her latter teens becoming an ITF world ranked junior and briefly trying the WTA tour.

Francis has coached in Venezuela, Spain and London and is keen to deliver tennis coaching to all levels and ages at the courts. She is happy to give lessons in Spanish too.

Her tennis level allows her to develop both beginner and experienced players alike.
