

FAVERSHAM TENNIS CLUB – BOX LEAGUE REGISTRATION VIA LTA

This document gives screenshots for applying for Box League entry; entering results; and seeing box positions. Not the easiest process, but good for those wanting LTA rankings! If all else fails then please advise me at hewlettjeremy@gmail.com

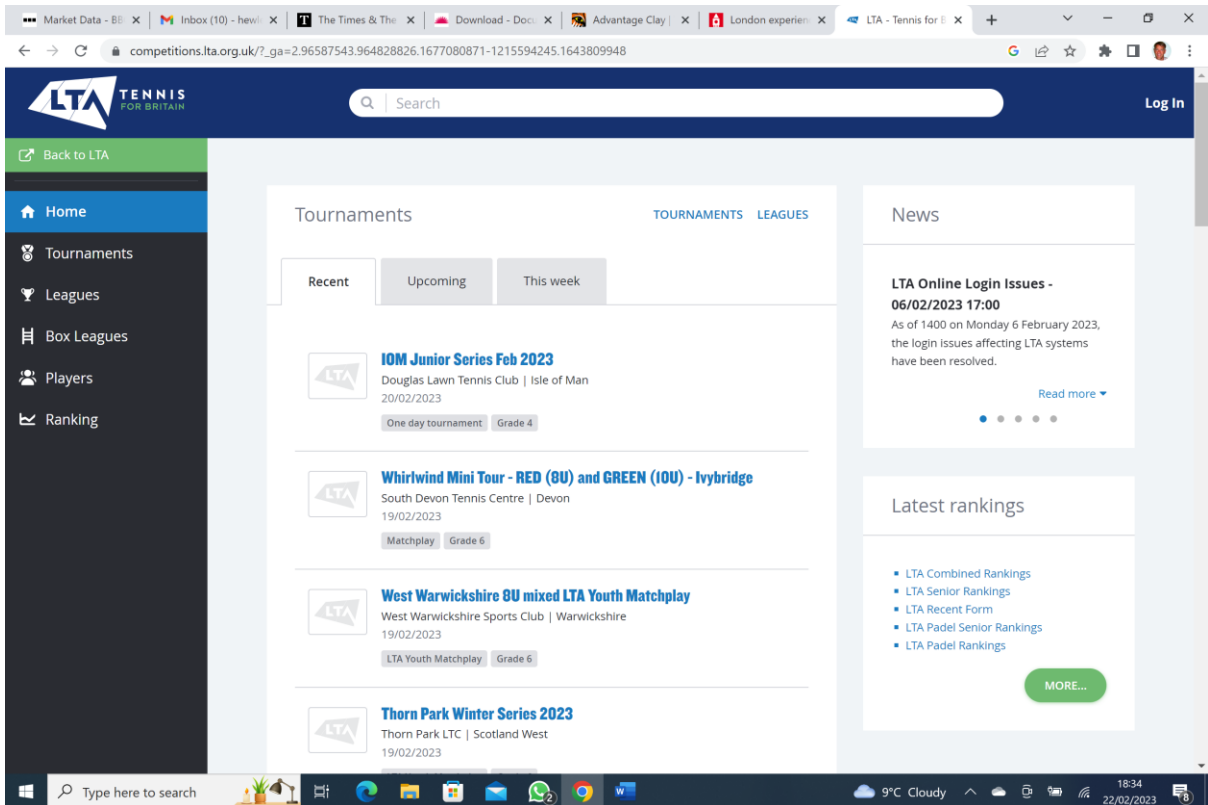

- **Log in to your LTA account**

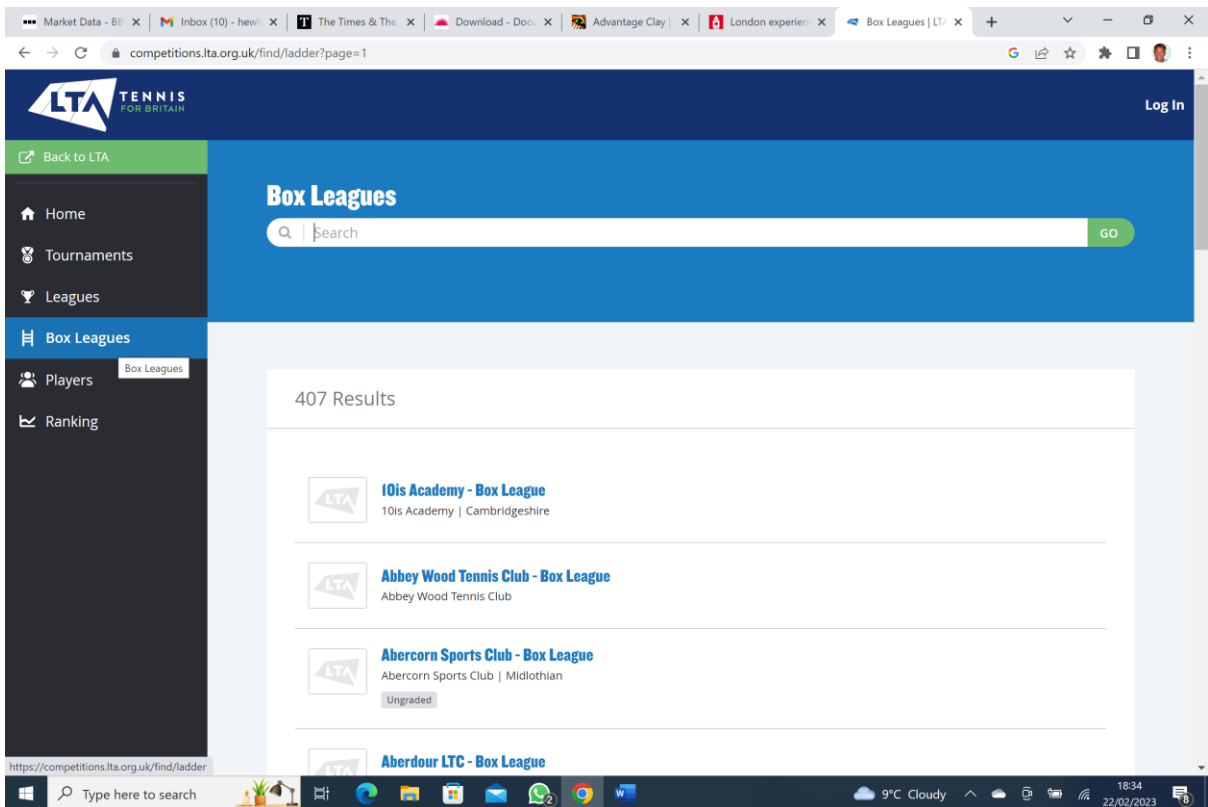

- **On the menu bar goto 'compete' and click on 'find a competition'**

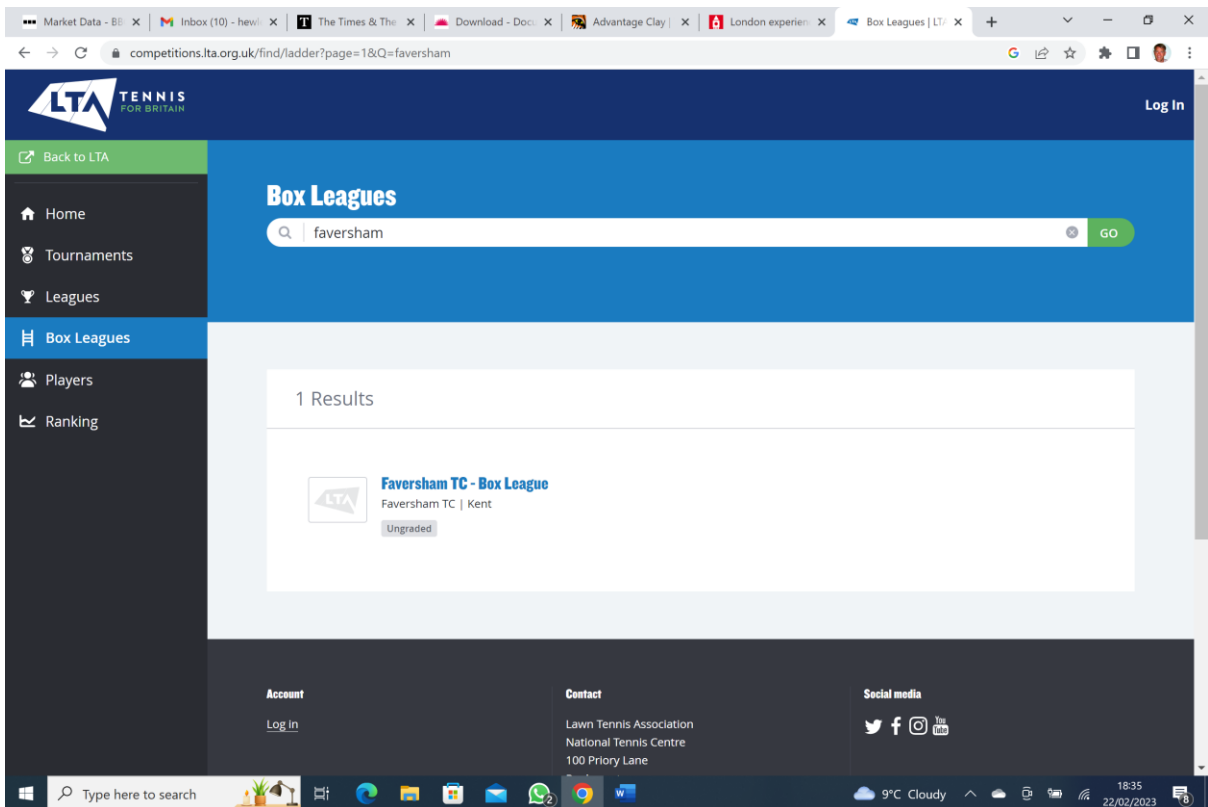

- This takes you to the LTA competition sub-domain
- Click on left hand menu 'box leagues'

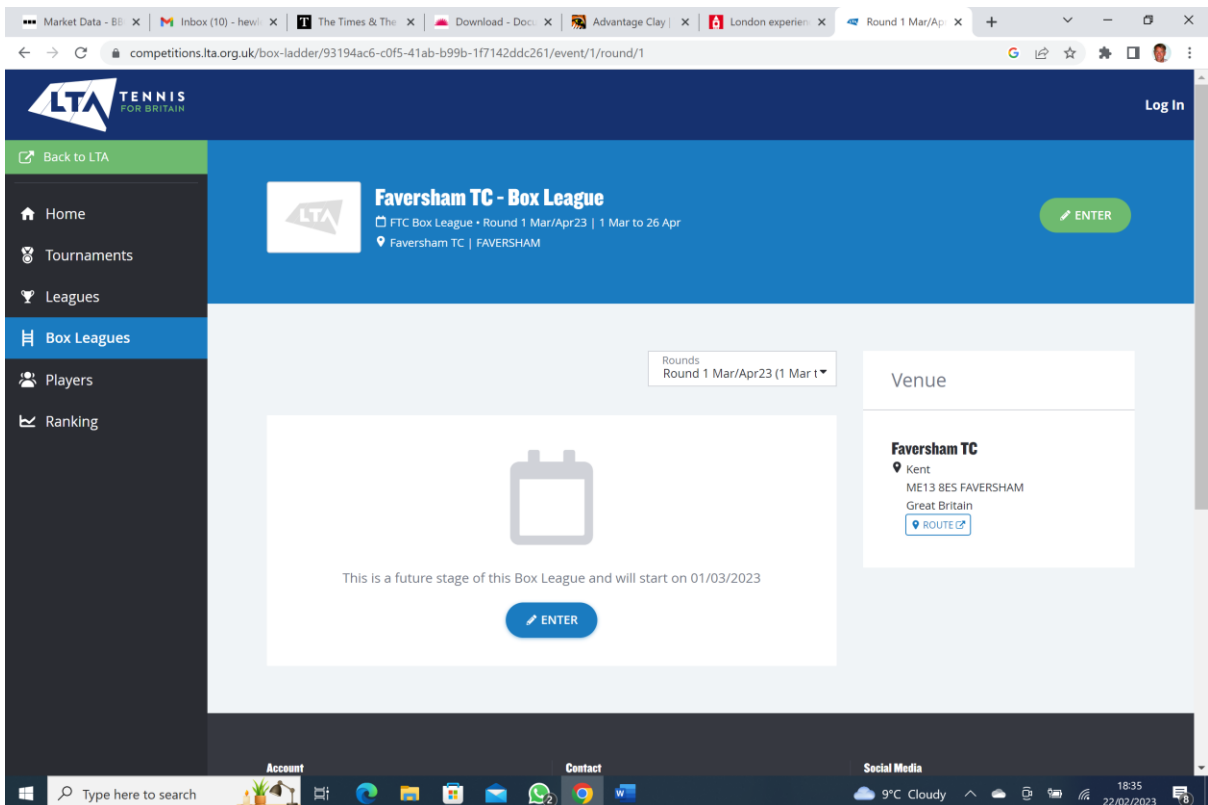

- Type in the search bar 'Faversham'

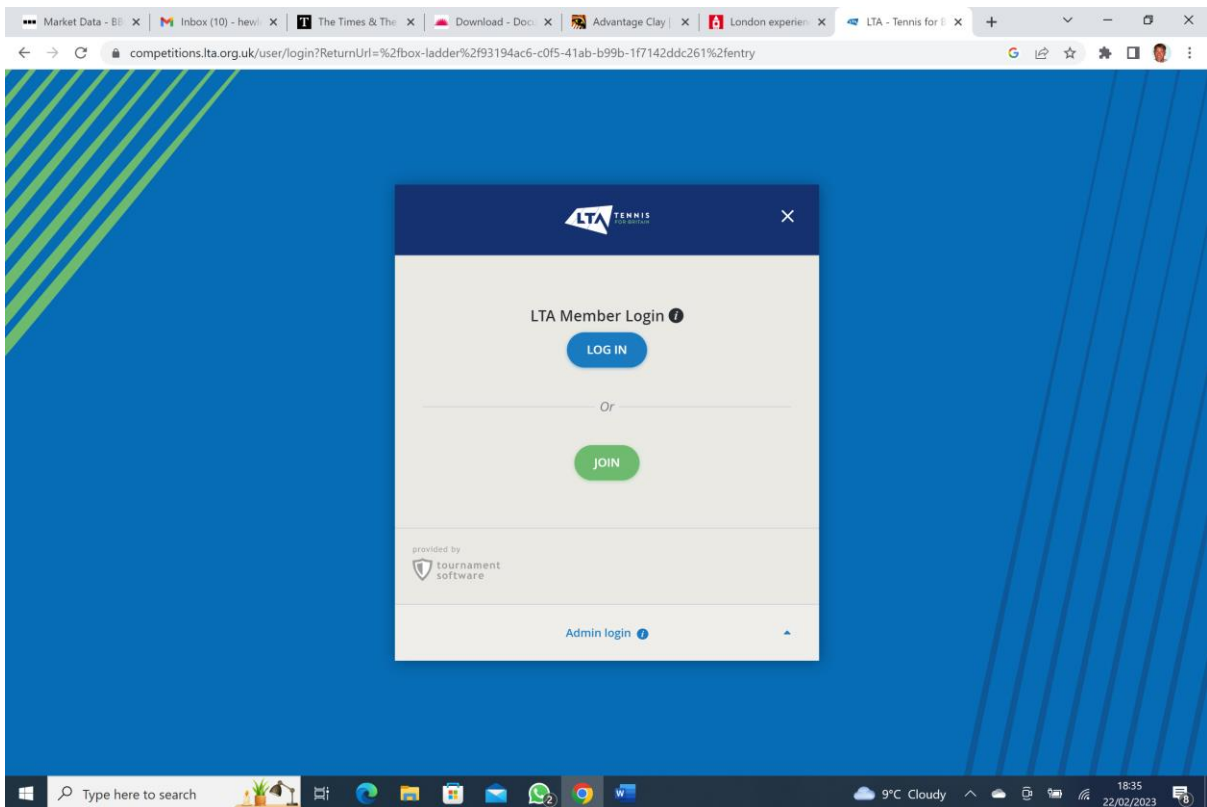

- Double click on the blue hyper-link 'Faversham TC – Box League'

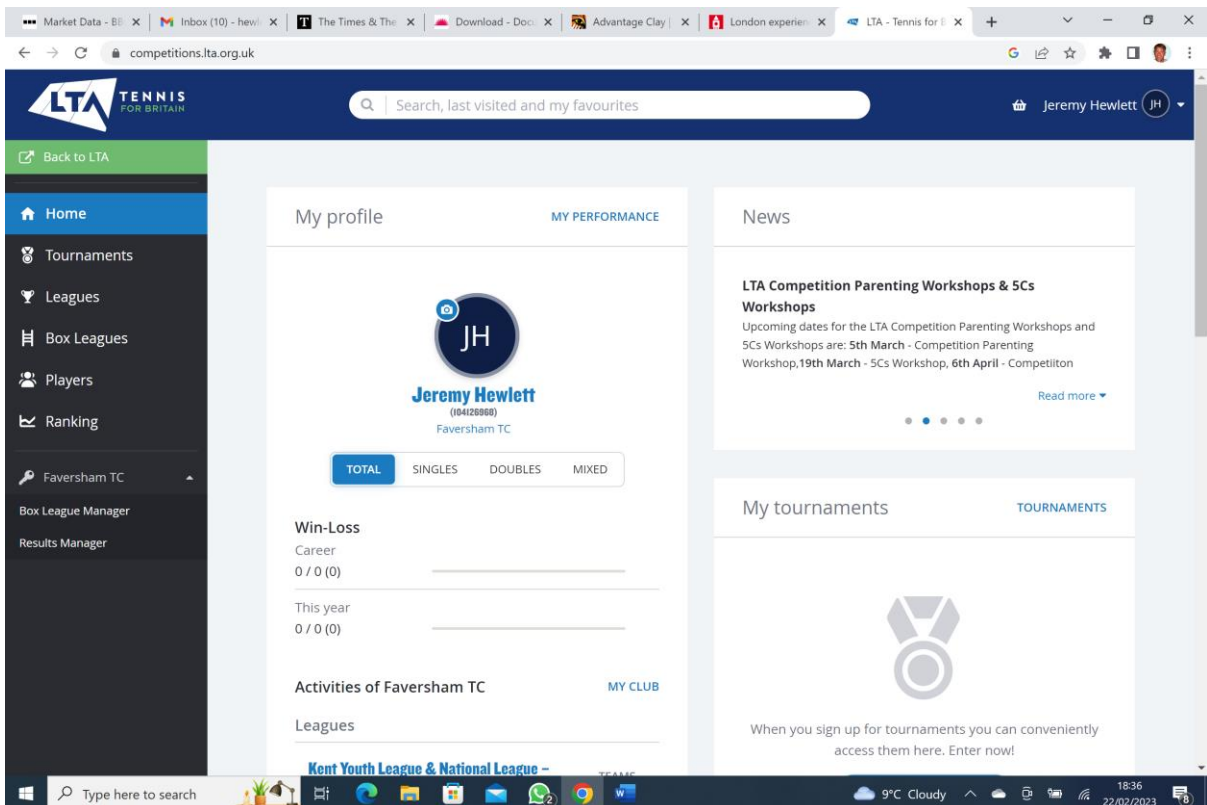

- Click 'enter' and put in your details

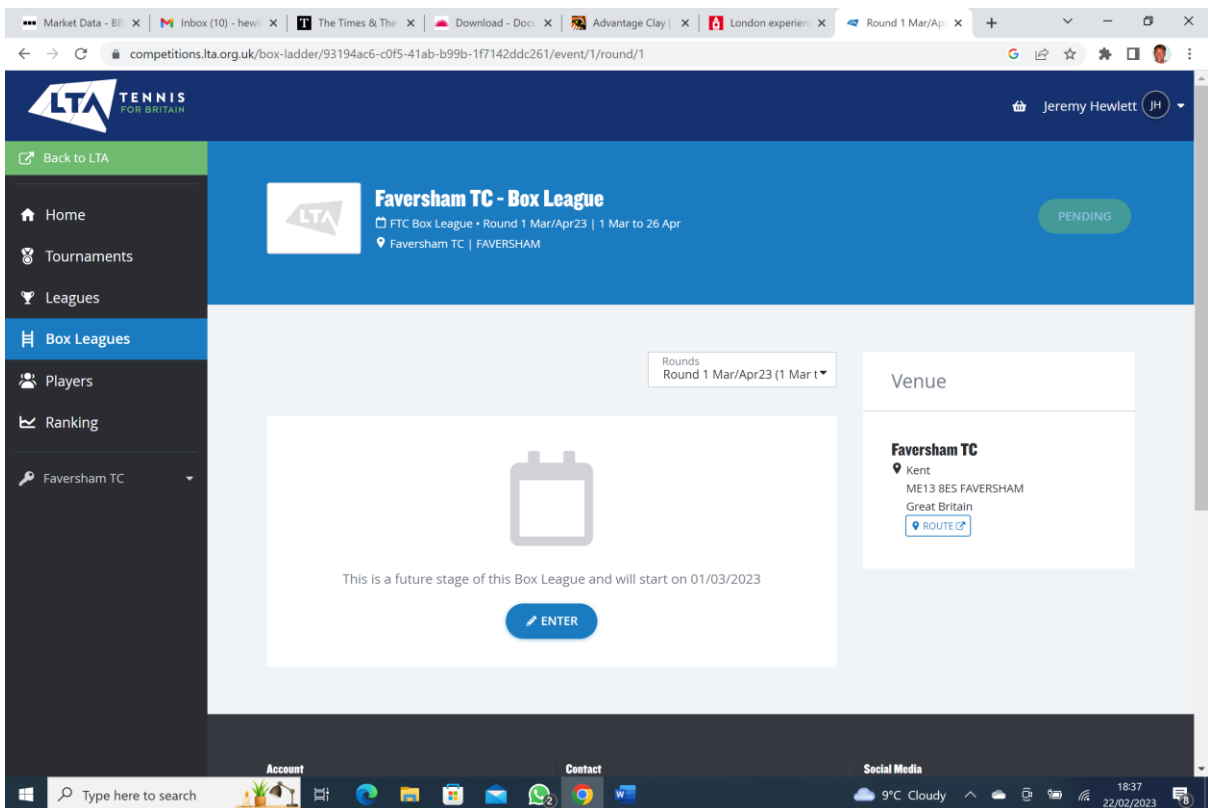

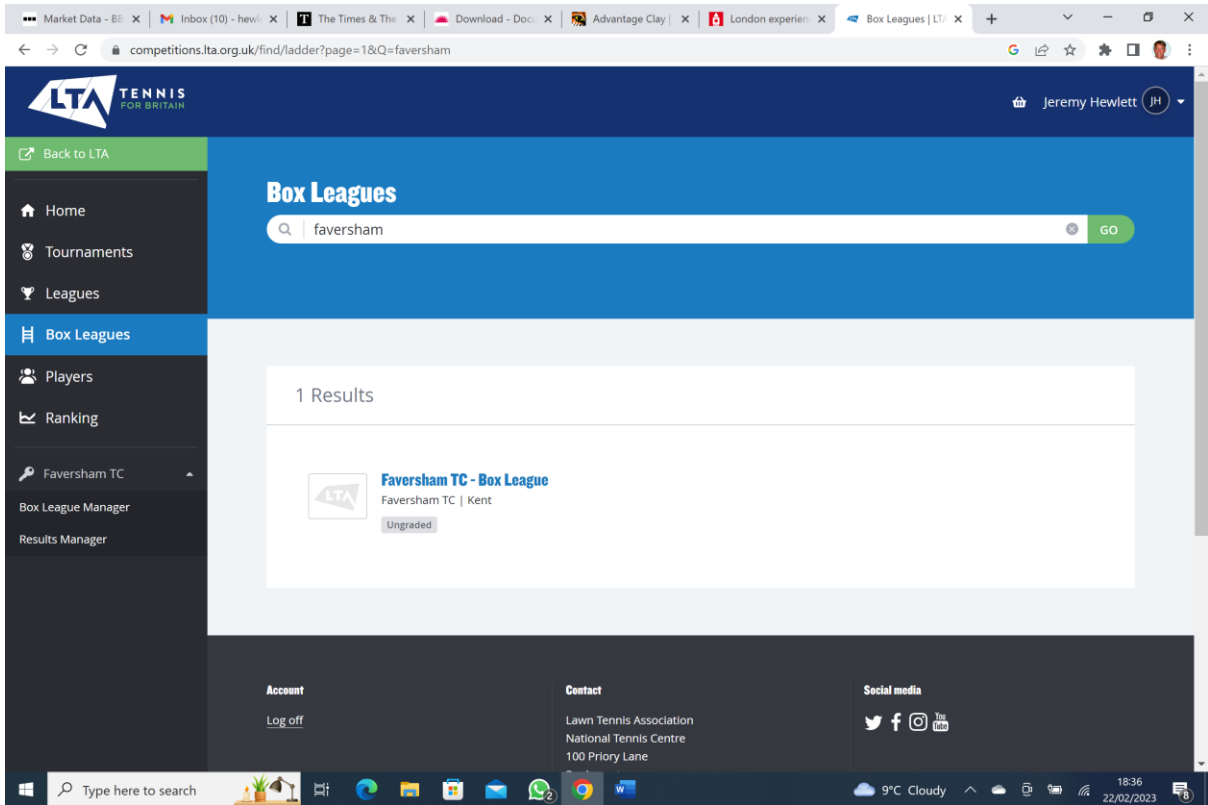

- You may have to log in again (something to do with being on LTA sub-domain)

- Whilst you're here check out you details

- Once entered you should receive an email confirmation
- When I have received all entries I will then set up the matches for which you should be able to see which box you are in and who you have to play
