| NOTES | 1. Play 2 'standard' sets, with a tie-break at 6-6 (standard 7 point version). If set score 1-1, play championship tie break (10 points) to decide rubber (record tie break as '1-0' and include in sets and games total). NB- The deciding set tie break now counts as a set as well as a game |
| | 2. Match won by whichever team scores most rubbers/sets/games (in that order). Match drawn only if rubbers, sets and games all equal. |
| | 3. Order of Play:- Home captain to advise away team of the courts/pairings of the home team, Away captain then to decide order of play. |
| | 4. Unfinished matches:- If 2 or more rubbers have been completed, the match score at the time of suspension to stand as the result. If less than 2 rubbers completed, the match is void and will need to be replayed. |
| | 5. Entry of an LTA / BTM number for each player is required to ensure results count towards every player's World Tennis Number (WTN). |
| | 6. The winning team captain or nominee is responsible for completion and retention of the results form. Both captains should either retain a physical or digital copy in case of loss or dispute over result. The winning team must submit the result within 48 hours of play. |

Disputes or queries to be submitted by e-mail to League Secretary, John Kitchener (kitcheners.9@btinternet.com). Decision of the League Sub Committee is final in all cases
