

Committee meeting 19/10/2021 via WhatsApp

In the face to face meeting held on Monday 18<sup>th</sup> Andrey Mirzoyan stepped down from the committee. We spoke about bringing someone else on to replace Andrey and to help out with the running of our website.

Matthew Thirlwell's name came up several times and I was asked to contact him to talk him through the position and to see if he was interested.

I had a conversation with Matt on 19/10/21 and he confirmed that he would love to join the management team.

On the same day I announced this on the Tennis Committee WhatsApp group and it was unanimous that he should be on the team in principle.

I put it to the vote to decide if we should leave it to the AGM or make his appointment formal via a co-option. The decision to co-opt was again unanimous.

The committee welcomes Matt Thirlwell to the team.
