

South West Manchester League AGM Minutes 2019

The SWM tennis league AGM was held on Sunday Dec 1st at Brooklands sports club.

Several rules were badly worded & open to misinterpretation, so proposals were made & passed to reword all of these.

Captains will need to read the rule book carefully next season to familiarise themselves, especially with the topic of nominated players.

Also, if a team can only field 2 couples they will only concede 4 sets & not 6, unless all 18 sets are played.

A proposal was made to make playing 12 sets the default instead of 18. This motion was defeated so 12 sets can only be played if both captains agree.

The new results secretary claimed so few expenses that the league accounts are very healthy. As a result the team registration fees for next year are to be reduced.

Presentations were made to all winners of divisions & tournaments. I was very proud to accept the trophy for winners of Ladies Division 1 & another for winners of the Garswood Cup. I have a small banner for each which will be displayed in the clubhouse.
