

POLICY ON THE USE OF CHANGING ROOMS

Guildford Tennis Academy strives to ensure that all children are safeguarded from abuse and have an enjoyable tennis experience.

This document sets out the policy for the acceptable use of our changing rooms.

1. Children will, where possible, arrive in appropriate clothing for their tennis lesson. If they need to change then they will not be left unattended by their parent/guardian in the changing room.
2. If adults and children need to share our changing rooms, they will do so at different times.
3. Under no circumstances will adult staff, coaches or volunteers change or shower at the same time as children using the changing rooms.
4. Mixed gender groups of children will have access to separate changing rooms, or use the same changing room but at different times.
5. If we are made aware that a child or adult self-identifies as a gender that differs from the gender they were assigned at birth, we will work with them and their parents/carers (where it relates to a child) to make reasonable adjustments to changing arrangements to suit their needs.
6. Mobile phones and other electronic devices must not be used in changing rooms.
7. For younger groups of children, a DBS checked member of staff or volunteer will wait outside the changing rooms to allow children to call for assistance if required.
8. Where no changing facilities are available children, parents and travelling teams/players will be made aware prior to the game and advised to make alternative arrangements and to take appropriate additional clothing e.g. tracksuits etc.
