# HADDINGTON TENNIS CLUB

---

Haddington Tennis Club mission is to provide opportunities for people living in Haddington and the surrounding communities, of all ages and backgrounds, to participate in and enjoy the game of tennis. The club also actively seeks to raise playing standards with the availability of high-quality professional coaching for players of all ages.

## Membership Secretary Report (February 2022)

There follows a comparison between last season and the current year.

	Feb 2020/21			Feb 2021/22			
	Female	Male	Total	Female	Male		Total
Adults	31	35	66	34	36		70
Winter Adults	3	3	6	1	1		2
Couples	0	0	0	9	9		18
Families	51	48	27 Families	60	61	30 Families	121
Young Adults	0	0	0	0	1		1
Juniors	7	13	20	8	27		35
Minis	1	1	2	29	33		62
Tots	0	0	0	1	1		2

Whereas last year our overall membership of was 193, the membership has increased to 311.

New categories introduced following the last AGM were:

- Couples
- Young Adults (to encourage Students to join at a discount)

“Tots” (aged 5 and under category) was added during the summer due to demand.

As you will note, the adult membership (including Couples) has increased significantly as have the Family and Junior numbers. However, the “Young Adult” category has failed to attract the numbers we would have liked. We would hope that the introduction of the Family sessions on Sunday under an organized structure will consolidate the existing numbers and perhaps grow in the coming year. Also, the continued success of the coaching program by Jonathan has contributed to the increase in juniors and Mini numbers
