Early applications are essential

Last year a number of camps were booked up within 4 days of brochure distribution. Please don't be disappointed. Camp can be subject to cancellation if insufficient bookings.

Equipment

All coaches on the Tennis Camps are trained Wilson Staff Coaches who have to attend product awareness days. Please talk to the coaches as not only can they give you excellent advice but invariably get you substantial discount on all tennis equipment.

Other Activities

All the coaches will be more than happy to give you advice with regards to individual or group lessons and on any other tennis related matter.

Mini Tennis...

Is a child-friendly version of the real game, designed for children aged 4-10 years. It is played on smaller courts (except at Green level) using shorter rackets and low compression balls that make playing and learning much easier.

Mini Red Tennis

Mini Tennis Red is for players aged 8 and under. It is played on small courts with short rackets and soft balls. It's just like the real game and gives players opportunities to have long rallies and play different types of shots.

Mini Orange

Mini Tennis Orange is a great way for players to continue their progress from Mini Tennis Red and is for players aged 8 and 9. It is played with shorter rackets, softer balls and courts are bigger and wider than the red stage but still smaller than full-size tennis courts allowing players to develop a rounded game whilst learning a range of techniques and tactics.

Mini Green

Mini Tennis Green is a great way for players to continue their progress from Mini Tennis Orange. It is played on a full size tennis court, with bigger rackets and balls, which are a little softer than yellow balls.
