Hallow Lawn Tennis Club Changing Rooms Policy

1. Adults should not change, or shower, at the same time using the same facility as children
2. Adults should try to change at separate times to children during matches or club play
3. If adults and children need to share a changing facility, the club must have consent from parents that their child(ren) can share a changing room with adults in the club.
4. If children play on adult teams, they, and their parents, must be informed of the clubs policy on changing arrangements
5. Mixed gender teams must have access to separate male and female changing rooms
6. Mobile phones must not be used in changing rooms
7. If children are uncomfortable changing or showering at the club, no pressure should be placed on them to do so. Instead suggest that they change and shower at home
